1-06-010. Purpose.

The City Council finds that the enforcement of the Centerville Municipal Code is an important public service and is vital to the protection of the public's health, safety, welfare and quality of life. Pursuant to *Utah Code Ann.* § 10-3-703, the City Council is authorized to impose a criminal or civil penalty for the violation of any municipal ordinance. The City Council finds that it is in the best interest of the City to establish and provide an enforcement system that allows for a combination of criminal and civil enforcement remedies and penalties.

1-06-020. Scope.

The provisions of this Chapter may be applied to any and all violations of the Centerville Municipal Code, exclusive of violations of the provisions of Title 12 (Zoning Code); Title 13 (Criminal Code); and Title 14 (Traffic Code). The provisions of this Chapter are intended to provide additional remedies for the City to use to achieve compliance with City Ordinances. The remedies, penalties and procedures set forth herein are not intended to limit or waive any right or remedy provided by law. The provisions of this Chapter shall not invalidate any other chapter, section or provision of the Centerville Municipal Code, but shall be read in conjunction with such chapters, sections and provision, and shall be used as an additional remedy for enforcement of violations.

1-06-030. Enforcement Action.

Except as otherwise provided herein, the City may pursue a criminal or civil enforcement action for the violation of any ordinances or applicable code requirements and the provisions of this Chapter shall not be construed to limit the City's right to prosecute any violation as a criminal offense. In accordance with *Utah Code Ann.* § 10-3-703, as amended, the City may not impose a civil penalty and adjudication for the violation of a municipal traffic ordinance. In addition, the City may not impose a civil penalty for a civil violation that occurs in conjunction with another criminal episode that will be prosecuted in a criminal proceeding.

1-06-040. Civil Liability.

By establishing performance standards or by establishing obligations to act, it is the intent of the City Council that City employees and officers are exercising discretionary authority in pursuit of an

essential governmental function and that any such standards or obligations shall not be construed as creating a ministerial duty for purposes of tort liability.

1-06-050. Definitions.

For purposes of this Chapter, the following words shall be defined as set forth herein:

- (a) Civil Citation. Civil citation means a citation issued to a responsible person which gives notice of a violation and the civil penalty for such violation.
- (b) Enforcement Official. Enforcement official means any person authorized by the City to enforce violations of the Centerville Municipal Code, including, but not limited to code enforcement officers, zoning officers, police officers, and building inspection officials.
- (c) Hearing Officer. Hearing officer shall mean a person appointed, contracted or hired by the City to conduct administrative hearings and to issue administrative orders as provided in this Chapter.
- (d) Notice of Violation. Notice of violation means a written notice that informs the responsible person of Code violations and orders certain steps to correct or remedy the violations.
- (e) Person. Person means any natural person, firm, joint venture, partnership, association, club, company, corporation, limited liability company, business trust, organization, or any other entity that is recognized by law.
- (f) Property Owner. Property owner means the record owner of real property as shown on the records of the Davis County Assessor or Recorder's Office.
- (g) Responsible Person. Responsible person means any person(s) who is responsible for causing or maintaining a violation of the Centerville Municipal Code. The property owner, tenant, person with a legal interest in the property, or person in possession of the real property shall be liable for any violation maintained on the property.

1-06-060. Notice Requirements.

Whenever notice is required to be given under this Chapter, the notice shall be served by one of the following methods, unless different provisions are otherwise specifically stated to apply:

- (a) Personal service;
- (b) Certified mail, return receipt requested, postage prepaid, to the last known address(es) of the responsible person(s);
- (c) Posting the notice conspicuously on or in front of the property, if inhabited; if the property is uninhabited, the notice must be personally served, mailed or published as provided herein; or
- (d) Published in a newspaper of general circulation when the identity or whereabouts of the person to be served are unknown and cannot be ascertained through reasonable diligence, where service is impracticable under the circumstances, or where there exists good cause to believe the person to be served is avoiding service.

Failure of a responsible person to receive notice shall not affect the validity of any action taken hereunder if notice has been served in the manner set forth above. Service by certified mail shall be deemed served on the date signed for on the return receipt.

1-06-065. Complaint Procedure.

Centerville City generally uses the complaint-based methodology for code enforcement whereby the City pursues code enforcement upon receipt of a complaint. Any person desiring to file a complaint regarding a civil code violation may do so by filling out a Centerville City Civil Complaint Form ("Civil Complaint Form") or by contacting the appropriate Department or the City Manager. The City will accept complaints by phone or in writing. If complaints are made by phone, City staff will fill out the Civil

Complaint Form. All official complaints will be logged by the City and thereafter investigated by the applicable Department. If requested and contact information is provided, the City will follow up with the complainant and provide a summary of the investigation and the enforcement action taken, if any. The City may also use a systematic approach to code enforcement whereby the City conducts systematic sweeps or reviews of various areas of the City for code violations. The City may use the systematic approach when deemed necessary to address safety issues, rampant violations in a particular area, as part of an awareness campaign, or as directed by the City Council.

1-06-070. Investigation and Inspection.

An enforcement official may investigate any purported violation of City Ordinances and take such action as is warranted under the circumstances in accordance with the provisions and procedures set forth in this Chapter. An enforcement official is authorized to enter upon any property or premises to ascertain whether the provisions of City Ordinances are being obeyed and to make any reasonable examination or survey necessary to determine compliance. This may include the taking of photographs, samples, or other physical evidence. All inspections, entries, examinations and surveys shall be done in a reasonable manner. If such inspection, entry, examination or survey requires entry onto private property, the enforcement official shall provide prior notice and obtain approval from the property owner or responsible person. If a property owner or responsible person refuses to allow an enforcement official to enter property, the enforcement official shall obtain a search warrant or administrative warrant before entering the property.

1-06-080. Notice of Violation.

Except as otherwise provided herein, if an enforcement official determines that any provision of the Centerville Municipal Code is being violated or continues to exist and immediate enforcement action is not necessary under the circumstances, the enforcement official shall provide a written notice of violation to the property owner or other responsible person. Such written notice of violation shall indicate the nature of the violation, the action necessary to correct the violation, the warning period established before further enforcement action or penalties, and the potential enforcement action and/or penalties to be imposed for failure to cure the violation within the established warning period. Such notice of violation shall be served in accordance with Section 1-06-060. Such notice of violation shall serve to start the warning period. A notice of violation shall not be required for violations requiring immediate enforcement under Section 1-06-100, or for subsequent violations within a 12-month period under Section 1-06-105, as amended.

1-06-090. Warning Period.

Unless otherwise determined by an enforcement official, the warning period for correction of violations set forth in the notice of violation shall be ten (10) days from the date of receipt of the notice of violation. If the violation remains uncured after expiration of the warning period, the enforcement official shall pursue further enforcement action as deemed appropriate in accordance with the provisions provided herein. The enforcement official is authorized to extend the warning period, up to an additional thirty (30) days, if the enforcement official determines that good cause exists for such extended warning period and the extension will not create or perpetuate a situation imminently dangerous to life or property. The enforcement official is authorized to grant an extension beyond the additional thirty (30) days, on similar grounds and findings; provided, any such extension shall require written agreement by the property owner or person responsible for the violation to remedy the violations within a set time frame and to comply with any and all conditions of extension as required by the enforcement official. A request for extension shall be filed in writing by the property owner or person responsible for the violation prior to the expiration of the ten (10) day response period. A warning period shall not be required for violations requiring immediate enforcement under Section 1-06-100, or for subsequent violations within a 12-month period under Section 1-06-105, as amended.

1-06-100. Immediate Enforcement.

The enforcement official is not required to provide a notice of violation or warning period for any continuing development or construction, storm drainage violations, or an emergency situation. In the case of a violation involving such continuing construction or development, storm drainage violations, or an emergency situation, as reasonably determined by the enforcement official, the enforcement official may

use the enforcement powers and remedies available under this Chapter, including issuance of a civil citation, without prior notice or notice of violation.

1-06-105. Subsequent Violations.

The enforcement official is not required to provide a Notice of Violation or Warning Period for the same subsequent civil code violation occurring on the same property within a twelve (12) month period from the date of the first Notice of Violation. In the case of such subsequent violation(s) occurring on the same property within a twelve (12) month period, the enforcement official may use the enforcement powers and remedies provided under this Chapter, including issuance of a civil citation, without prior notice or notice of violation. In accordance with applicable statutes, property owners with weed violations need only be provided one notice of violation per season.

1-06-110. Civil Citation.

If any violation remains uncured after issuance of a notice of violation and expiration of the warning period set forth therein, as applicable, a civil citation may be issued to the property owner or other responsible person for the violation and civil penalties imposed for such violation. The civil citation shall be served in the manner set forth in Section 1-06-060. Each civil citation shall include the date and location of all violations, the Code sections violated, the amount of the civil penalty imposed for each violation, an explanation of how the civil penalty shall be paid and the consequences for failure to pay, an explanation of the right to and the procedures for requesting an administrative hearing, and the signature of the enforcement official issuing the citation.

1-06-120. Civil Penalties.

Civil penalties to be imposed for a civil citation shall be imposed in accordance with the civil penalties fee schedule adopted by the City. Pursuant to Utah Code Ann. § 10-3-703, the City Council may prescribe a civil penalty for Code violations by a fine not to exceed the maximum class B misdemeanor fine which is \$1,000. Civil penalties shall be due and owing to the City within twenty (20) days from the date of service. The civil penalty shall double if not paid within twenty (20) days from the date of service. The civil penalty shall triple if not paid within forty (40) days from the date of service. After forty (40) days, unpaid civil penalties shall accrue interest at the rate set forth by the State of Utah for unpaid judgments. Payment of any civil penalty shall not excuse any failure to correct a violation or the reoccurrence of the violation, nor shall it bar further enforcement action by the City. A civil citation and civil penalties may be imposed for each and every day a violation occurs or continues to exist. Additional civil penalties may be imposed for subsequent or reoccurring same violations on the same property within twelve (12) months from the date of the civil citation. Such graduated penalties for subsequent or recurring violations shall be adopted by the City Council and set forth in the City Fee Schedule. Civil penalties may not be imposed for a civil violation that occurs in conjunction with another criminal violation as part of a single criminal episode that will be prosecuted in a criminal proceeding. Civil penalties shall be paid to the City Finance Department.

1-06-130. Request for Administrative Hearing.

Any responsible person served with a civil citation shall have the right to request an administrative hearing before a hearing officer by filing a written application for hearing. Such written request for hearing shall be filed with the City Recorder within ten (10) days from the date of service of the civil citation or other specified date set forth therein. Failure to request an administrative hearing as provided herein within ten (10) days from the date of service of the civil citation or other specified time frame shall constitute a waiver of the right to an administrative hearing and the right to an appeal.

1-06-140. Scheduling Administrative Hearing.

Upon receipt of a request for an administrative hearing, the City Manager shall appoint, contract with or hire a hearing officer to hear the matter. As soon as practicable after being appointed, the hearing officer shall schedule a date, time and place for the administrative hearing and shall send written notice of same to the responsible person(s). Notice of the hearing shall be served on the responsible person(s) in accordance with the provisions of Section 1-06-060.

1-06-150. Administrative Hearing Procedures.

Administrative hearings are intended to be informal in nature. Formal rules of evidence and discovery shall not apply; provided, all persons shall be afforded due process of law, including adequate notice, an opportunity to be heard, and adequate explanation of the reasons justifying any action. The City shall bear the burden of proof to establish the existence of a violation of the Code. Such proof shall be established by a preponderance of the evidence. All administrative hearings shall be open to the public and shall be recorded. The responsible person shall have the right to be represented by an attorney. If an attorney will be representing a responsible person at a hearing, notice of the attorney's name, address and telephone number shall be given to the City at least one (1) day prior to the hearing. If such notice is not given, the hearing may be continued at the City's request, and all costs of the continuance shall be assessed to the responsible person. The burden to prove any raised defenses shall be upon the party raising any such defense.

1-06-160. Failure to Attend Administrative Hearing.

A responsible person who fails to appear at an administrative hearing shall be deemed to have waived the right to such hearing, the adjudication of issues related to the hearing, and the right to appeal, provided that proper notice of the hearing has been given as provided in Section 1-06-060.

1-06-170. Administrative Order.

After holding the administrative hearing, the hearing officer shall issue a written administrative order affirming, rejecting or modifying the civil citation and/or civil penalties. The administrative order shall become final on the date of signing by the hearing officer. The administrative order shall be served on all parties in accordance with the provisions of Section 1-06-060.

1-06-180. Appeal of Administrative Hearing Order.

Any responsible person adversely affected by a final administrative order may file a petition for review in the district court. Any such appeal shall be filed within thirty (30) days after the administrative order is final. In the petition, the plaintiff may only allege that the administrative order was arbitrary, capricious or illegal. The court shall presume the administrative order is valid, review the record to determine whether the order was arbitrary, capricious or illegal, and affirm the order if it is supported by substantial evidence in the record. The record of the proceedings shall be transmitted to the reviewing court. The filing of the petition does not stay execution of an administrative order, unless so ordered by the hearing officer.

1-06-190. Failure to Comply.

It shall be unlawful for a responsible person to fail to comply with any notice of violation, civil citation, or administrative order, or to pay the required civil penalties as imposed hereunder. A violation of this Section shall be a class B misdemeanor.

1-06-200. Collection.

The City may use any lawful means available to collect any unpaid civil penalties imposed under this Chapter, including costs and reasonable attorney's fees.
