Lynn Keddington, Chair
Melissa Larsen
Tiffany Rees

**MEMBERS ABSENT**
Brian Curnow
Kelli Hintze
Jon Rudeas

**STAFF PRESENT**
Bruce Cox, Parks and Recreation Director
Connie Larson, Recording Secretary

**STAFF ABSENT**
Tamilyn Fillmore, City Council Liaison

**MINUTES REVIEW AND APPROVAL**
Minutes of the February 13, 2018 meeting minutes were reviewed. Melissa Larsen made a motion to approve the minutes as written. Leslie Flowers seconded the motion, which was passed by unanimous vote (4-0).

**UPDATE TO CURRENT PROJECTS**
Bruce Cox, Parks and Recreation Director, reported construction will be starting soon on the west side where the new pavilion will be at the Community Park. The concrete slab will be next and then the irrigation system. Hydro seeding will be done at the end of the season.

**Footsol Court**
Footsol Court issues regarding the wetlands are still being worked through. The quality level of the wetlands determines the credits to be purchased. The credits are currently $55,000 an acre, and the mitigation is for two acres, possibly more.

**Baseball Requests to City Council**
The baseball program has received $8,000, in RAP Tax Contingency Funds, and this will be used for new homerun fences that have been ordered, which will allow end of season Pony Tournaments.

Community Park Bids
The bid for Phase 3 of the Community Park expansion was awarded, and it is under $100,000, under the cost estimate that was given by the City Engineer.

CAPITAL IMPROVEMENT PLAN RECOMMENDATION

Bruce Cox, Parks and Recreation Director, distributed the Cash Flow Analysis for Park Improvements Funding. The RDA will be meeting to discuss the funding of the $100,000 for the imported soil on the Community Park expansion. This was soil removed from the site of the CenterPoint Legacy Theater, and taken to the Community Park. The impact fees are paid when a building permit is taken out, which will be $318, 459 for the apartments that have been approved on Parrish Lane and 1250 West. The money for these two variables may or may not be paid until the end of fiscal year 2019.

Chair Keddington distributed the Parks Capital Improvement Plan for the Committee to review. It is estimated that new park space will cost $200,000 per acre, and if seven acres of park space is added to the cost of remodeling Island View Park along with additional park amenities, that will cost roughly $300,000. Once the Island View Park is done, the next park that will need upgrades is the Community Park that needs the playground replaced. Eventually priorities on the amenities must be determined for the parks, and then decide if the Committee should go to the City Council to request bonding for the amenities. Chair Keddington asked Committee members to prioritize the top ten amenities they would like to have at the parks, and bring them to the next meeting.

UPDATE ON GRAD STUDENT AND PARKS MASTER PLAN

Chair Lynn Keddington reported Utah State is still working on how to formulate the graduate student project for the master’s program. It must be determined if money should be used to update the current parks, or make larger parks that cannot be maintained. In the original Parks Master Plan, the playing fields at Centerville Junior High, we believe, were counted as park space. The graduate student will be doing a survey on the amenities citizens would like to have at the parks.

MOVIES IN THE PARK DISCUSSION

The Committee discussed movies to be shown at the Movies in the Park this summer. The dates for the movies to be shown will be determined at the next meeting. Bountiful City is planning to show outdoor movies this summer, and Mr. Cox will verify what movies they intend to show. Movies the Committee agreed to show are: Greatest Showman, Coco, Sing, Ferdinand, Last Jedi, and Black Panther.

NEXT MEETING

The next Parks and Recreation Committee meeting will be held on Tuesday, April 10, 2018 at 7:00 p.m. at City Hall.
