19  
20 **REVIEW MOUNTAIN 5K/10K RACE**

21  
22 The Committee discussed the mountain 5K/10K race that took place on June 3<sup>rd</sup>. Chair  
23 Mikael Remington suggested the trail for the Mountain 5K and 10K race be marked permanently  
24 along the Bonneville Shoreline Trail with trail markers. This would be helpful for trail runners and  
25 hikers. An Eagle Scout could do a project by videotaping a short trail, such as the Ford Canyon  
26 Trail, and a long trail, such as the Deuel Creek Trail. The Committee agreed the race needs to be  
27 better advertised, and advertised sooner. At the November meeting, a date for the race in 2018 will  
28 be determined. Bruce Cox, Parks and Recreation Director, suggested charging for a T-shirt for  
29 those runners who want a shirt, as this might attract more people.

30  
31 **REVIEW PLAN FOR MOUNTAIN BIKE SINGLE TRACK**

32  
33 Brandon Federico reported he attended a meeting today with Davis County, and September  
34 8<sup>th</sup> is the deadline for requests for Proposition One funds. Robyn Meacham, City Council Liaison,  
35 explained all the funds could be given to one city, but sometimes the money is given to projects  
36 involving combined cities or entities, such as UDOT or UTA. When projects are combined, it  
37 stretches the money and it benefits more people in the County, as opposed to helping one city.

38  
39 Robyn Mecham, City Council Liaison, explained City Council members receive packets  
40 for their meetings, and there was nothing on trails. There was no plan or where it was going to be.  
41 More detail needs to be given on where the trails will be and where the restrooms will be located.  
42 Council member Mecham said she will provide at the next meeting a breakdown of where the  
43 Proposition One money is allocated.

1 Chair Remington said he feels the County is in favor of the bike trails proposal, and they  
2 are specifically looking for bike trails and other trails. Brandon Federico stated that bikeutah.org  
3 has a website that has information on the economic impacts that bike trails will have to the  
4 community. The County wants something that will be available for the entire County. There is a  
5 large parking lot and restrooms already in place at the Cheese Park, and the trailhead is located at  
6 this park.  
7

8 Robyn Mecham, City Council Liaison, asked if the Bountiful City Council approves of  
9 using Cheese Park as one of the trailheads for a bike park. Chair Remington explained they are  
10 supportive of the proposal, but they haven't voted on it. The process of applying for matching  
11 grant money must begin now, as the application is due in October, with the matching grant being  
12 awarded in January 2018. The money would be received in July 2018 if the grant is approved. Bob  
13 Radke or someone with expertise in designing a bike park must be consulted, and meetings will  
14 need to be held with Bountiful City Trails Committee for their input. Chair Remington said he  
15 would like to have a conceptual plan before presenting it to the City Council. Council Member  
16 Mecham said she will talk with Steve Thacker, City Manager, to arrange a work session with the  
17 Centerville City Council and Randy Randall, Public Works Director. She also explained public  
18 hearings must be held before the City Council can approve this project. Rick Turner suggested the  
19 bike trail could work in favor of the cities, as it would prevent further development on the hillside.  
20

21 **OTHER BUSINESS**

22  
23 Rick Turner reported there are four Eagle Scout projects that are in the process of being  
24 completed.  
25

26 **NEXT MEETING**

27  
28 The next Trails Committee meeting will be held on Thursday, September 21, 2017 at 8:00  
29 p.m. in the Business Office Conference Room at City Hall.  
30

31 **ADJOURN**

32  
33 At 9:10 p.m., Blair Parrish made a **motion** to adjourn the meeting. Brandon Federico  
34 seconded the motion, which was passed by unanimous vote (6-0).
