

1 Minutes of the Centerville City Parks and Recreation Committee meeting held Tuesday, May 9,
2 2017 at 7:00 p.m. in the Centerville City Hall Council Room, 250 North Main Street, Centerville,
3 Utah.

4
5 **MEMBERS PRESENT**

6 Kelli Hintze
7 Lynn Keddington, Chair
8 Melissa Larsen
9 Jon Ruedas

10
11 **MEMBERS ABSENT**

12 Brian Curnow
13 Tiffany Rees
14 Melissa Smith

15
16 **STAFF PRESENT**

17 Bruce Cox, Parks and Recreation Director
18 Tamilyn Fillmore, City Council Liaison
19 Connie Larson, Recording Secretary

20
21 **VISITORS**

22 Dan Sonntag, MGB+A
23 Abe Millet

24
25 **NEW MEMBER**

26
27 Jon Ruedas was introduced as a new member of the Parks and Recreation Committee. Mr.
28 Ruedas has lived in Centerville for four years, and he works for the Salt Lake County Parks
29 Department as a landscape architect.

30
31 **RSL FOOTBALL PROPOSAL**

32
33 Jon Ruedas explained Football is a version of soccer that is played with a smaller ball on a
34 smaller court. This game became popular in Europe, as it is easier to teach soccer on a court than
35 an uneven lawn, and it is used to teach children to play soccer. Football was adopted by USSA
36 Soccer as the development game for soccer. In Salt Lake City, RSL has a promotional program
37 that offers to build and maintain football courts if cities are willing to provide the land. Jon Ruedas
38 said RSL Foundation has approached Salt Lake County to allow RSL to build courts in parks if
39 RSL will build and maintain the outdoor courts, which are similar to tennis courts. Jon Ruedas is
40 the project manager for this project in Salt Lake County, and he asked if Davis County has been
41 considered for possible courts. RSL is considering the possibility of looking at land at different
42 parks in Davis County for the possibility of Football courts. RSL would maintain the courts, but the
43 cities would be responsible to maintain the grass surrounding it. It is not known at this time what
44 the cost will be. The football court is the same size as a basketball court, which would be done in
45 RSL colors with the RSL insignia on the court. The courts are open for the community use, and
46 the cities would determine rules for the courts.

1 Bruce Cox, Parks and Recreation Manager, displayed conceptual maps of the Community,
2 Freedom Hills, and Island View Parks. The Committee viewed different sites at the parks where
3 Footsal courts could be built. Abe Millet said there are Footsal courts in St. George that are very
4 popular. Abe Millet explained club teams are using Footsal, and soccer leagues are now playing
5 soccer year-round.

6
7 Jon Ruedas served an LDS mission in South America, and the LDS Churches have a
8 Footsal court in the back of the church. At the next Parks and Recreation Committee meeting,
9 Mary Van Minde with the RSL Foundation, will come to explain this proposal in more detail.

10
11 **MINUTES REVIEW AND APPROVAL**

12
13 Minutes of the April 11, 2017 meeting were reviewed. Kelli Hintze made a **motion** to
14 approve the minutes as written. Melissa Larson seconded the motion, which was passed by
15 unanimous vote (4-0).

16
17 **LWCF GRANT REPORT**

18
19 Bruce Cox, Parks and Recreation Director, reported he completed and submitted the LWCF
20 grant. This grant is for \$650,000, and would be applied with matching city funds for the Island
21 View Park renovations. In October, it will be known if Centerville will receive the grant.

22
23 **UPDATE ON PROGRESS AND BUDGET FOR COMMUNITY PARK**
24 **EXPANSION**

25
26 Bruce Cox, Parks and Recreation Director, displayed a conceptual plan of the Community
27 Park expansion. An irrigation pump station and vault is being constructed in the new section that
28 will use ground water. This station will only irrigate the new expanded section of the park. A new
29 point of connection with a Weber Basin meter will be installed for the existing park. If the meter
30 shows the City is using more than the allotted amount, the City will probably be assessed more
31 money for irrigation water. There have been irrigation issues at this park, because when the park
32 was constructed, there were few homes surrounding it. As the surrounding properties have
33 developed, and are using the same water connection as the park, the water pressure has decreased
34 and become insufficient during the hottest times of the year. There is an eight-inch water line that
35 runs on the Frontage Road, and the Community Park will connect to this line, which will increase
36 water pressure, since it is larger and there are fewer connections to it.

37
38 The City Engineer has been directed to draw the plans for Phase III of the park expansion
39 to be ready for bid at the end of June in case there is a possibility construction can begin in the fall.
40 Phase II, in addition to the concrete vault and pump system, includes the new parking area that
41 will add 140 new parking stalls, and a paved walking path. In the future, when more funding is
42 available, other park amenities could be added.

MOVIES IN THE PARK SCHEDULE ADJUSTMENT AND ASSIGNMENTS

Bruce Cox, Parks and Recreation Director, explained it is necessary to cut two movies from the Movies in the Park for this fiscal year. Tamilyn Fillmore, City Council Liaison, reported the Recreation District recently started doing movies in the park on Saturday nights at the Bountiful Park by the outdoor pool. There are some movies that are repetitive with Bountiful, but this should not be a conflict with Centerville since the movies are shown on different nights. It was agreed the June 9th movie will be cancelled, and then a movie will be removed next spring.

- June 16th: Pete's Dragon
- June 23rd: LEGO Batman
- June 30th: Croods
- July 14th: Sing
- July 21st: Rogue One
- July 28th: Finding Dory
- August 4th: Moana

Melissa Larson made a **motion** to change the Movies in the Park movie schedule for 2017. Kelli Hintze seconded the motion, which was passed by unanimous vote (4-0).

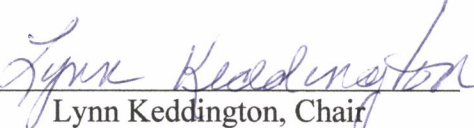

The Committee will meet on June 9th at 5:30 p.m. at Founders Park to learn how to use the movie equipment.

NEXT MEETING

The next Parks and Recreation Committee meeting will be held on Tuesday, June 13, 2017 at 7:00 p.m. in the Conference Room at City Hall.

ADJOURN

At 8:20 p.m., Kelli Hintze made a **motion** to adjourn the meeting. Jon Ruedas seconded the motion, which was passed by unanimous vote (4-0).

Lynn Keddington, Chair
