PUBLIC MEETING – FINAL SITE PLAN – SDC INVESTMENTS SYMPHONY HOMES OFFICE – 111 S FRONTAGE ROAD

SDC Investments and Symphony Homes have proposed an office and showroom space at 111 South Frontage Road. This site was previously a Ruby River restaurant and has been sitting vacant for some time. The proposed commercial development provides predominately office uses for the building, with an upgrade in visual appeal in regards to architecture and landscaping for the area as a whole. Cassie Younger, Assistant Planner, explained the request for Final Site Plan approval.

Bruce Robinson, applicant, stated he believes the building will be beautiful and will fit in nicely along the freeway. A signage package will be presented to the City
when completed. The intention at this time is for Symphony Homes to occupy the entire building, although subletting the upper floor may be a possibility in the future.

Chair Hirschi opened a public hearing at 7:05 p.m., and closed the public hearing seeing that no one wished to comment. Commissioner Hirst made a motion to approve the Final Site Plan for SDC Investments’ Symphony Homes Office Building at 111 South Frontage Road, with the following conditions and reasons. Commissioner Helgesen seconded the motion, which passed by unanimous vote (7-0).

Conditions:

1. Applicant shall dedicate to the City the required public utility easements on three sides of the parcel or lot in accordance with applicable City Ordinances. Applicant shall be required to prepare the legal descriptions (and associated drawings) for the public utility easements and submit the same to the City Attorney and City Engineer for review. The City Engineer shall review the easement descriptions for accuracy. Thereafter, the City Attorney shall prepare the associated easements for review and acceptance by the City Council. All public utility easements must be submitted to the City Council for acceptance and recording prior to the issuance of a building permit.
2. All drive aisles and parking stall measurements shall meet City Ordinances, as stated in the City Code. Drive aisles within the parking lot shall be at 25’ to allow for two way traffic as stated in the City Code.

Reasons for Action:

a) The final site plan submittal has adequately shown how the property may be developed [CZC 12.21.110(e)].

b) The development appears to be consistent with the goals and objectives found within the Centerville City General Plan 12-480-2, 2(c).

c) “Office” and “Construction, Sales and Service” are permitted uses in the Commercial-Very High Zone, as found in the Table of Uses, CZC 12.36.040.

MINUTES REVIEW AND ACCEPTANCE

The minutes of the September 27, 2017 Planning Commission meeting were reviewed and amendments requested. Commissioner Helgesen made a motion to accept the minutes as amended. Commissioner Johnson seconded the motion, which passed by unanimous vote (7-0).

COMMUNITY DEVELOPMENT DIRECTOR’S REPORT

The next Planning Commission meeting is scheduled for October 25, 2017.
ADJOURNMENT

At 7:45 p.m., Commissioner Helgesen made a motion to adjourn the meeting. Commissioner Wright seconded the motion, which passed by unanimous vote (7-0).

10-25-2017
