**LICENSED CONTRACTOR DECLARATION**

I hereby affirm that all work will be performed by contractors licensed under the Construction Trades Licensing Act (58-55, UCA) whose licenses are in full force and effect.

If contractors have not been selected at the time of the application for this permit, the permit is issued only on the condition that currently licensed contractors shall be selected by the applicant, that the applicant shall provide the names and license numbers of the contractors to Centerville City, and shall enter the same names and numbers on the permit before they begin their work.

**OWNER-BUILDER DECLARATION (Submit Cert.)**

I hereby claim exemption from the requirement for licensing under the Construction Trades Licensing Act (58-55, UCA) because work will be performed by the owner of the property for his/her private, non-commercial, non-public use. Any work not performed by the owner will be performed by a contractor licensed under the Construction Trades Licensing Act, and the names and license numbers of the contractors shall be provided to Centerville City, and shall be entered on the permit before their work has begun.
