Bruce Cox, Parks and Recreation Director
Robyn Mecham, City Council Liaison
Connie Larson, Recording Secretary

MINUTES REVIEW AND APPROVAL
Minutes of the February 15, 2018 meeting minutes were reviewed. Mark Oligschlaeger made a motion to approve the minutes as amended. Brandon Frederico seconded the motion, which was passed by unanimous vote (4-0).

REPORT ON VOLUNTEER PROJECTS
Bruce Cox, Parks and Recreation Director, reported Rick Turner has been working on volunteer projects, and Mr. Cox has been forwarding volunteer project ideas to Mr. Turner. Matt Johnson said there is an Eagle Scout currently working on a project at the Freedom Hills Park. There is a possible project at the top of the Parrish Lane Trailhead.

REPORT ON TRAILS OPEN HOUSE
Bruce Cox, Parks and Recreation Director, reported there were 200 people in attendance at the Trails Open House. There were 160 comment cards completed. Estimates of residents in attendance were: Eighty-percent Centerville residents, ten percent Bountiful residents, and the other ten percent were residents from scattered cities. Robyn Mecham, City Council Liaison, said she was amazed at how many people attended the open house, as other open houses are usually not well attended. The Eagle Scout who gathered the comments, took photographs of the comment cards, and he will sort the cards and present the data to the City Council at their next meeting. Mr. Cox suggested members of the Trails Committee meet with members of the Gun Range Club to address their concerns of the proposed trails being too close to the gun range. Bob Radke is aware of the concerns of the gun range, and he will make the necessary changes on the trails plan.
Mr. Cox reported that years ago, a study was done on erosion control on the hillside. This study will be researched to see what the findings were of that study.

At 8:40 p.m., Sunny Larson arrived at the meeting.

The gun range claims they have a lease on property that is further west than what the proposed trails map is showing, and the lease area must match the gun range area. In preparation for the City Council meeting next week, Mark Oligschaeger talked today with Jeff Oyler, Davis County Planning Manager, and it was agreed there is great community support for the proposed trails. Mr. Cox will follow up with the State on what restrictions there might, and if there is latitude if a trail needs to be changed. Robyn Meacham, City Council Liaison, said the City Council wants to be certain they have all the information they need before they vote on the proposed trails. There are concerns if the City Council should want to make changes on the hillside at a future date, what restrictions would be in place.

Mr. Cox, reported Mr. Oyler said the County wants to partner with cities to contribute the money necessary to help build the trails. The County wants to see other matching support, and not just grant money. The Trails Committee discussed possible contributions of private donors, and work that could be completed by volunteers.

At 9:15 p.m., Brandon Frederico was excused from the meeting.

The State grant application is due April 19th, and there are concerns the required work to be done for the application can be met by this date. The County does not have a deadline on grant money. Mr. Cox will research the grant further and what the rules are, and report his findings at the next meeting.

**REPORT ON ACTIVE TRANSPORTATION PLAN GRANT**

Mr. Cox reported the Active Transportation Plan Grant was approved with North Salt Lake and Bountiful. Each city will receive $4,000 to be used for transportation needs. The next step is to advertise for bids from planning companies.

**OTHER BUSINESS**

At the Legacy Trailhead in front of the Maverick Gas Station, there will be a kiosk in the southwest corner of the intersection. Mr. Cox asked if the Trails Committee would like to have a trail map in the kiosk, and be willing to maintain it. The Trails Committee agreed they will maintain the kiosk.

Sunny Larson reported people have contacted her saying they are willing to work on the Trails Committee or sub committees to help on projects.
NEXT MEETING

The next Trails Committee meeting will be held on Thursday, April 18, 2018 at 8:00 p.m. at City Hall.

ADJOURN

At 9:45 p.m., Chair Mikael Remington made a motion to adjourn. Matt Johnson seconded the motion, which was passed by unanimous vote (4-0).
