## Deuel Creek Historic District Sign

The Centerville Landmarks Commission would like to celebrate the Deuel Creek Historic District by placing an informational sign/kiosk within the District. The sign will include a map of the neighborhood and mark historically significant homes. We would like to build and install the sign in the fall of 2018!

Contributions of all levels are greatly appreciated! Centerville City has also agreed to match any funds up to \$1000.

Thanks for supporting Centerville's efforts in preserving our first historic District!
