MINUTES REVIEW AND ACCEPTANCE

At 5:20 p.m., Diane Chamberlain arrived at the meeting.
Minutes of the September 25, 2018 Whitaker Museum Board meeting were reviewed. 
Nancy Smith made a motion to approve the minutes as amended. Carol Bake seconded the motion, 
which was passed by unanimous vote (4-0).

DIRECTOR’S REPORT

Lisa Linn Sommer, Museum Director, reported she called Timber Mill Cabinets last week 
to check on the status of the cabinets for the Museum kitchen. The cabinets were scheduled to be 
installed October 9th, but they are not ready. The Cemetery Tour was cancelled due to Paul Thomas 
Smith’s illness. There were 60 people who had registered to attend the Cemetery Tour, and Lisa 
called each person to inform them of the cancellation. The Cemetery Tour is a popular event, and 
it will be held next year.

Lisa attended two educational conferences during the past month. The Rio Grande 
Conference was focused on transportation in Utah and how the railroad changed life in Utah. The 
Green River Conference was on how to determine whether something should be considered 
historical or not. For example, an historical landmark cannot be named until five years after 
someone has died; for example a mountain top. The third conference was in Lehi at the Hutchings 
Museum. A man from the Utah Archival Department discussed how artifacts are to be stored in 
archive boxes on shelves and not in file cabinets. There will be scholarships forthcoming in the 
future where people will come to the Museum to do the filing of archives. There is going to be an 
audit by the State of all the departments and their job descriptions to see if employees are being 
paid correctly. The Whitaker Museum will need to see if funding is available for an archive room
The front and back doors need to be refinished and weatherized before winter. The Board discussed if a screen or glass door should be installed in front of the wood doors. Three bids have been obtained that range from $800 to $1,000 on the removal of the pine tree on the north side of the Museum. Bruce Cox said the Parks Department might be able to remove the tree cheaper than the lowest bid. Jolene Jackson told Lisa to make sure taxes are being collected on the sale of DVD’s at the Museum. There were questions raised about this, as the Museum is a nonprofit organization. Lisa will verify with the State if taxes need to be paid on the sale of the DVD’s.

Guy Carpenter dry walled the archive room. He will return to sand and paint the walls. The desk has been delivered. Marilyn Hymas, interior decorator, wants to have her friend visit the Museum, as he is an antique dealer and he is considering donating antique parlor furniture to the Museum. Marilyn Hymas suggested having elderly local artists donate their art work to display at the Museum, but there is art work already at the Museum that is in storage. This issue will be discussed at a future meeting.

BOARD REPORT

Diane Chamberlain reported a couple came to the Museum who collect antiques. They sold their home in Idaho, and they would like to purchase a stone home in the area. They have organized Fairs in the past with the collections they have. Diane suggested having this couple do an antique fair at the Museum.

Paul Thomas Smith said he turned over seven years’ worth of research files he has completed to the Museum, with the provision that Lisa Sommer can discard anything she wants. The information he donated is wherever Thomas Whitaker is mentioned. Paul would like to display most of the furniture at the Museum that is currently in storage.

2018/2019 CALENDAR REVIEW

Lisa Summers, Recreation Director, will need the Calendar Review for the Whitaker Museum after the next meeting. The Board discussed events held at the Museum. She will prepare the calendar and email it to Board members for their review and approval. The CLG grant ends in August of 2019, and decisions must be made on how the grant will be used.

At 6:10 p.m., Stephanie Ivie, City Council Liaison, arrived at the meeting.

The Board discussed the Victorian Tea that is held in May, and if it should be continued. The Board agreed if the Tea is continued, more money needs to be charged per plate. The Museum Director and Board should not be involved in the preparation and serving at this event. Laura Toney has agreed to be a liaison for the Board by going to the schools to inform them of the tours at the Museum. Board members are to email Lisa with their ideas for the Storytelling events for next year.
MUSEUM LANDSCAPE PLAN

The Board identified items they want to have as part of the landscape plan. Paul Thomas Smith said he wants to create a second tour of the outside of the Museum involving a mini orchard of heritage trees and plants that can tell the story of the orchards and fruit that was critical to Davis County. Poplar trees could be planted on the east side that help tell the story of the east winds.

At 6:50 p.m., Carol Bake was excused from the meeting.

NEXT MEETING

The next Whitaker Museum Board meeting will be held on Tuesday, November 27th, at 5:00 p.m. at City Hall.

ADJOURN

At 6:53 p.m., the meeting ended, as a quorum was no longer present.
