WHITAKER COMMUNITY GARDEN REPORT
Erin Redd is Chair of the Whitaker Community Garden. She reported 32 garden plots were rented last year. Mr. Brown, who lived on the South East corner of the block, passed away, opening up 6 new garden plots. These plots became available later in the season so they were reduced to half price. The Garden Budget request for 2019 is $875 to $905, for the following purchases; the tiller broke last year, and a new tiller will be $400.00, two plastic wagons at $40 each, part to construct extra water spigot, 15 new water spigots at a cost of $225 - $255. This will allow for two spigots at each water station.

Diane Chamberlain made a motion to approve the 2019 budget for the Community Garden. Carol Bake seconded the motion, which was passed by unanimous vote (5-0).

There are fourteen large plots and three small plots left to be rented. Oakdell has already delivered the compost. They have generously donated a dump truck load of compost each year that services the gardeners through the first of July, for the past eight years. The Garden Orientation meeting will be held on Thursday, April 11th at 6:30 p.m. at the Whitaker Museum. The Board thanked Erin for her work service as the Community Garden Chair.

Victorian Tea

The Victorian Tea will not be held this year due to CLG and RAP cycle projects at the museum and loss of catering. It is a popular event, and is seen as a public relations activity not a fundraising event, however, significant time and discussion are needed to work out the ratio between revenue and expenses. Thus, it will be put on hiatus until Spring 2020. This item will be discussed next winter.

Thank you to Mel Miles and Paul Smith
Thank you letters for Steve Thacker, Mel Miles, and Paul Thomas Smith were signed by the Board.

Steve Thacker
Steve Thacker’s retirement open house will be on March 27th from 3:00 p.m. to 6:00 p.m.

Board Openings
The Mayor has received three applications for the Whitaker Museum Board seats. Liaison Ivie will find out when the appointments will be presented to the City Council for approval.

Miscellaneous
No one has offered to do the bees at the garden this year. Yard preparations are half way completed, and the benches will be brought back this month and other spring museum preparations will be completed. The Board discussed the August Storytelling event, which will be Celebrating Transportation by John Clark. There will be antique cars displayed at this event, so Chair Packer was asked to inquire of his Car Club if there is any interest in showing cars manufactured before World War One.

Marquee
The Board discussed a marquee to display events at the Museum. Lisa Sommers will ask Bruce Cox, Parks and Recreation Director, for the best location for the marquee to be placed.

Arts and Museum Grant
Since the Museum is only open one day a week, the Museum would qualify for the Small Museum Grant, which is a grant that is offered through Arts and Museums. This grant is for projects and would amount to a matching grant of $1,000. This is an annual grant opportunity.

The Legislature recently approved $3 million that will go towards grants for museums, including small museums, and can be for projects and programs at Museums. Director Sommer has been invited to visit the Humanities Council Director to talk about their potential grants. The teacher open house will be discussed in April. In the fall, the docents will be going to the elementary schools to do activities with the children.
CURRENT GRANT/RAP REVIEW

Director Sommer reported the current grant cycle will end August 31, 2020. The stoop in front of the Museum will be completed soon with a “mag” finish and edge strip. The kitchen door needs a new knob and deadbolt, as per fire marshal orders. The work in the archive room needs to be completed. The fridge, rug, and microwave still need to be purchased. The exterior window frames need to be painted now that the interior window frames are complete, preventing moisture and paint to pop off.

POTENTIAL BUDGET FY 2020

Director Sommer distributed the proposed Whitaker Museum Budget for 2019-2020. The Museum Board went over their budget last year by $21. The changes from last year are to request an additional $400 for recording services; $300 extra for cleaning of carpets and upholstery; and request money for two security cameras at a cost of $1,400. There will be $6,800 requested for capital purchases. Carol Bake raised concerns about the Board’s budget. She expressed concern that residents are paying for the Museum and not enough people come through the Museum to make all the purchases justifiable. This began a discussion about branding and advertising for the Museum. The City Website is no longer as good at advertising for the Museum as it was before the website redesign. Nancy Smith suggested that advertising is a problem for the Museum, and more exposure needs to take place. Money needs to be allocated for yard signs and a brochure. Nancy Smith suggested hiring a graphic artist to develop an advertising plan and branding for the Museum. The graphic artist and advertising would be under public relations.

Chair Packer made a motion to request an additional $500 from FY 2018-2019. The $500 is to cover increased recording services, and cleaning of the carpet and upholstery at the Museum. The City Manager would increase the budget in the Director Category, based on employee compensation guidelines adopted by the City Council. Diane Chamberlain seconded the motion, which was passed by unanimous vote (5-0).

POTENTIAL RAP PROJECTS FY 2020

Chair Packer requested the pending items be listed on a separate column, and the items completed be in another column. The gas fire place, igniter and pilot need to be purchased; the wood floor in the parlor and upstairs need to be refinished, and the landscaping were identified as the top priorities for FY 2020. The landscaping will be $6,000, the gas fireplace is $3,000, and the refinishing of the floor is $3,500. The wedding dress exhibit, which is in a glass case to display Mary Alice Whitaker’s wedding dress, is $2,500.

BOARD REPORTS

Nancy Smith said she believes there is $2,800 from the unused budget for 2018, and she asked the Board to consider using this fund balance to complete the archiving of information at the Museum. Claudia Cole, who volunteers at the Museum, is willing to get the archive information catalogued and organized into Past Perfect Nancy Smith would like to pay Claudia to do this
project as a contract employee. This would include taking old cassettes that need to be transferred to digital. Nancy will research how much time would be needed to complete the archiving of the information. There was a Women’s Literature Club that started with Elizabeth Whitaker in the 1930s, and information from this club was recently found. This club will be presenting at the June Story event.

Lisa Sommer said the Board will need to give their report on the Museum Director at the next meeting.
