NEW COMMISSION MEMBER AND ASSISTANT PLANNER

Tyler Moss was introduced as a new member of the Landmarks Commission. Tyler grew up in Sandy and went to the University of Utah. His wife is from Centerville, and they went to Omaha, Nebraska for three years for school, and then lived in Kansas City, Missouri. They moved back to Bountiful, and he practices law in Salt Lake City.

Mackenzie Wood will be taking Cassie Younger’s position as Assistant Planner.

HISTORIC HOMES TOUR

Brian Plummer explained the Historic Home Tour is where residents who live in historic homes open their home for public tours. The Commission discussed the possibility of doing the Home Tour every other year. A Walk-About of the Historic District was held last year, and a combined activity was held at the Whitaker Museum with the Whitaker Museum Board. After discussion, the Commission agreed to do the Historic Home Tour every other year.

Greg Call made a motion to have the Historic Home Tour every other year, and the Walking Tour and Social on the off year. Brent Christison seconded the motion, which was passed by unanimous vote (5-0).

Paul Thomas Smith was going to do a walking tour of the Centerville Cemetery last fall, but he was unable to do this activity. Perhaps this event could be held in the fall. At the next meeting, Mackenzie Wood will report on her visit with the Whitaker Museum liaison to see if their Board is willing to work together on a fall social event.
ANNUAL LANDMARKS EVENT

Brian Plummer explained the Landmarks Commission Social is an annual event of the Landmarks Commission members, and other people in the community who have contributed to historic preservation during the past year. An individual in the community who has contributed to the preservation of Centerville’s history receives a service award. This is a bi-annual event that is usually held in early September. Mackenzie Wood will verify what events the Whitaker Museum will be holding this fall, and possibly they could join with the Landmarks Commission Social.

JENNIE P STEWART HOME

The Jennie P Stewart home located at 2026 North Main Street is being demolished to make room for a subdivision. The Intensive Level Survey is being done on this home. The Parrish home located at Main Street and Parrish Lane is being considered for the National Historic Register.

Brian Plummer said he received a letter from a homeowner who has a home on the National Historic Register. The homeowner said their insurance is too high, and they believe it is because the home is on the National Historic Register. It is possible to have a home removed from the National Register by sending a letter to the National Historic Office.

POTENTIAL MEMBERS TO THE COMMISSION

The Commission discussed the qualifications they would like to see in new Commission members. They discussed possible candidates who could serve on the Commission, and the names will be given to Mayor Wilkinson.

Minutes of the January 24, 2019 meeting were reviewed. Brian Plummer made a motion to approve the minutes as amended. Jeanne Randall seconded the motion, which was passed by unanimous vote (5-0).
