Cemetery Tour – October Overview
There has been some confusion on the Cemetery Tour event. Lisa Linn Sommer will verify who will be working on this event.

The Board discussed having the Cemetery Tour every year or every other year. The Board agreed this event will alternate every other year with a historic tour, and a spooky event.

Story Telling FY20
The Board discussed the Story Telling events for 2020. John Clark would like to come back next year and discuss early car tours at the national parks. Better advertising needs to take place for the Story Telling events. At a meeting between, Council Liaison, Stephanie Ivie, Brant Hanson, City Manager, and Leah Romero, City Recorder, it was agreed that the museum can submit tidbits, stories and event information for posts to city media, however approval must be given by the City Recorder and City Manager for any advertising that is posted on Centerville’s social media accounts.

City Manager, Brant Hanson, stepped into the meeting and said he is working on the City website to make it more dynamic and more user friendly. He stated that the Ethernet and Wi-Fi are being revised and that the museum will receive a landline phone. Mr. Hanson left the meeting.

At 5:30 p.m., Carol Bake arrived at the meeting.

Robin Jensen will research what other museums in Utah are doing on social media and will report his findings at the next meeting.

RAP PROJECTS AWARDED FOR FY20  
Lisa Linn Sommer reported on the RAP Tax projects approved for FY20. Council Liaison, Stephanie Ivie met with City Manager Hanson about an amendment to the budget to purchase boxes for archiving that had been omitted by a budget freeze in FY19.

There is information on CD’s, discs and cartridges that need to be archived. Research must be done on the safest way to preserve historic information to make it available at the Museum for people to view. Robin Jensen, WMB member and historian for The Church of Jesus Christ of Latter-Day Saints, said he will do research on the best way to digitize the historical information, and how to preserve textiles.

At 5:40 p.m., Robin Jensen was excused from the meeting.

The Board discussed how to report on the completion of CLG/RAP projects to City Council. Chair Spencer Packer will give a report and slide show at the September 15th City Council work meeting on completed projects at the Museum. Lisa Linn Sommer will check with staff to get time on the agenda.

RAP Tax projects awarded for FY2020 are landscaping $11,000; floor refinishing $3,500; gas fireplace $3,000; silk dress exhibit $2,600; security upgrade $1,400. These projects have been approved by the City Council.

CLG/GRANT REPORT  
Debbie Dahl reported there is nearly enough money, not including the in-kind donations, in the matching fund just with expenses. In kind donations can be shared with Landmarks if they fall short. Alana Franco will be coming to the Museum to do an inspection on August 30th.
LANDSCAPE SUBCOMMITTEE REPORT

Lisa Linn Sommer reported the landscaping is moving forward. Mike Higgins repaired the loose gable and removed plants in front of the driveway. Lisa would like to have a water hand pump installed north east of the Museum, as a teaching tool for tour groups.

MUSEUM BRANDING

Lisa Linn Sommer reported two bids have been received on the Museum branding that would be used for letterhead, business cards, posters etc. One bid was for $1,050, and the other bid is $150 for three hours’ worth of work, $40 dollars an hour thereafter. The Board viewed projects that one of the bidders submitted. The Board discussed asking Brent Christison, who was on the Landmarks Commission, and is an artist if he might be interested in submitting a drawing. The board requested more bids and more visual examples before a decision can be made.

BOARD REPORTS

Diane Chamberlain asked about the rug that was donated. Lisa Linn Sommer reported it is being held until after the inspection.

Nancy Smith suggested having a list of easy projects that need to be completed at the Museum for docents and LDS Missionaries to do. Projects such as placing polymer sand in between the pavers would be an easy project and compiling an email file list of those that have left their emails at previous events.

Chair Spencer Packer will do his drawing for the fence when his workload has lessened, and he can take the time required to do it properly.

The next Whitaker Museum Board meeting will be held on Tuesday, September 24, 2019 at 5:00 p.m. at City Hall.
