MINUTES REVIEW AND APPROVAL
Minutes of the June 20, 2019 meeting were reviewed. Chair Jake Layton made a motion to approve the minutes as written. Matt Johnson seconded the motion, which was passed by unanimous vote (6-0).

BOY SCOUT EAGLE SCOUT PROJECT
Roger Phillips and his sons, John and Titan Phillips attended the meeting. John and Titan would like to do their Eagle Scout projects on the Deuel Creek South Trail where the mud slide occurred. Bruce Cox, Parks and Recreation Director, explained this trail is on Forest Service property, and the Forest Service will need to approve any changes that are planned. Rick Turner, who is a former member of the Trails Committee, attended training with the Forest Service and he is able to provide information on what would be allowed to be built on the trails. Roger Phillips said he will contact Mr. Turner on improving the Deuel Creek Trail. The City will be able to donate items for this project. The installation of direction signs and other signs on the trails were discussed as part of the Eagle Scout project.
HILLSIDE MANAGEMENT PLAN UPDATE

Bruce Cox, Parks and Recreation Director, reported he met with the City Manager about the Hillside Management Plan. At this time, the Island View Park renovations are taking priority, and the Hillside Management Plan will be discussed at a later date. The Island View Park is scheduled to be completed in November, and the plantings will be done in April 2020. Chair Jake Layton reported that Farmington had a public hearing, and they were awarded the hillside trails contract for their section of the mountain.

SEPTEMBER 21ST TRAIL RUN RACE

The September 21st Trail Run Race will not take place this year. The Trails Committee will discuss this race next year.

TRAIL BUILDING DAY

Sunny Larson explained there was a Trail Building Day last year where the high school teams worked on the Ward Canyon Trail. There are trails in Centerville that have erosion problems where work could be done. The Committee agreed they need to tour the trails to see what work needs to be done. It is hoped that any work that needs to be done could be completed before winter comes. The Trails Committee agreed they will tour the trails on Thursday, October 10th at 6:00 p.m. beginning at the Parrish Trail Head. Trail work is scheduled for October 26th at 9:00 a.m.

OTHER BUSINESS

Sunny Larson discussed the app Avenza Map, which can be downloaded and record the trails that are walked on for maps. A person can record GPS tracks while walking on the trail.

NEXT MEETING

The next Trails Committee meeting will be held on Thursday, October 10, 2019 at 6:00 p.m. beginning at Parrish Trail Head.

ADJOURN

At 9:15 p.m., Chair Jake Layton made a motion to adjourn the meeting. Matt Johnson seconded the motion, which was passed by unanimous vote (6-0).
