Connie Larson, Recording Secretary

VISITOR
Joni Elorscheider
Scott Cheney

UPDATE ON ISLAND VIEW PARK RENOVATION PROJECT
Bruce Cox, Parks and Recreation Director, reported the concrete work is currently being
completed, and the pavilion is being constructed at the Island View Park. Irrigation and planting
will be done in the spring when the snow is melted. A grand opening will tentatively be planned
for May or the first of June, which the Parks and Recreation Committee will plan. Tamilyn
Fillmore, City Council Liaison, suggested inviting as many people as possible, as the Island View
Park is hidden and not well known. The pickle ball courts are completed, but the nets will not be
installed until the park opens.

NEW MEMBER
Hailey Turner is a new member of the Parks and Recreation Committee. She is the
recreation manager for the South Davis Recreation District, and graduated from Utah State
University in Recreation Management.

PARKS MASTER PLAN – FINAL REVIEW AND VOTE
The Committee reviewed the Parks Master Plan. Lynn Keddington referred to the dog park
at the Centerville Commons Pocket Park. The City Council requested the dog park be taken out
for future use.
Jon Ruedas reported Mary called him from the RSL Foundation about possible sponsors for the Futsal courts. They are Market Star, and Western Governors University. The north retention pond is a possible area for the Futsal courts at the Community Park.

Tamlyn Fillmore, City Council Liaison, discussed when more amenities are added to the Centerville parks, that the circle maps of other communities be considered in South Davis County. The surrounding communities are small, and there needs to be an even spread of parks and amenities.

Bruce Cox, Parks and Recreation Director, will meet with the City Council, and inform them the Parks and Recreation Committee recommend the Council adopt the Parks Master Plan into the City’s General Plan.

Chair Dailee Gardner made a motion to approve the Parks Master Plan. Lynn Kedington seconded the motion, which was passed by unanimous vote (6-0).

**WATER FEATURE**

Julianne Zollinger reported she is trying to find liability information for a possible water feature at the Smoot Park. The City Attorney for Bountiful has never returned her call. She will contact Lisa Romney, City Attorney, about the liability issues for a water feature. Jon Ruedas will ask the Risk Management for Salt Lake County about liability issues for water features.

**MINUTES REVIEW AND ACCEPTANCE**

Minutes of the September 10, 2019 meeting were reviewed. Jon Ruedas made a motion to approve the minutes as written. Julianne Zollinger seconded the motion, which was passed by unanimous vote (6-0).

Minutes of the October 8, 2019 Joint Work Session with the City Council were reviewed. Jon Ruedas made a motion to approve the minutes as written. Julianne Zollinger seconded the motion, which was passed by unanimous vote (6-0).

**OTHER**

The Outdoor Recreation Grant applications are due soon, but they must be matched 50 percent with City funds.

Jon Ruedas suggested collaborating with the Trails Committee on their activities, or having a quarterly meeting to have connectivity. Bruce Cox, Parks and Recreation Director, will talk with the Trails Committee to inform them of this request.
The Committee discussed having an annual park clean-up day, where citizens come to a designated park to help clean it, and then serve lunch after. The company that suggested a fitness court in a park called Lynn Keddington to see if the Committee would want a fitness court in Centerville.

**NEXT MEETING**

The next Parks and Recreation Committee meeting will be held on Tuesday, February 11, 2020 at 7:00 p.m. at City Hall.

At the next meeting, Brant Hanson, City Manager, or Jacob Smith will be asked to give an analysis of the RAP Tax.

**ADJOURN**

At 8:04 p.m., Lynn Keddington made a motion to adjourn. Melissa Larsen seconded the motion, which was passed by unanimous vote (6-0).
