EMERGENCY OPERATIONS PLAN AMENDMENTS – INFECTIOUS DISEASE PLAN AMENDMENTS – LEVEL FIVE INCIDENTS

Chief Child explained recommended changes to the City’s Infectious Disease Plan, including the addition of risk Level Five (shelter-in-place order), and received feedback from the Council. The Council and Staff discussed drafting a reduction in force policy. Mayor Wilkinson stated that as of March 31, 2020, the City remained at incident Level Four. He said he had chosen not to declare a local state of emergency at that time.

Councilmember McEwan moved to adopt Resolution No. 2020-09 amending the Infectious Disease Response Plan as part of the Emergency Operations Plan to add new Level Five incident response protocols, add a definition of “infectious disease”, change all references to “City” to be uppercase, and add language to Police Protocols recommended by Chief Child. Councilmember Ivie seconded the motion, which passed by unanimous vote (5-0). The Council discussed marking playgrounds at City parks as closed.

STATUS OF COMMUNITY EVENTS AND CITY MEETINGS

Leah Romero, City Recorder, reported that most community events and City meetings had been cancelled through May 31, 2020. Mr. Hanson added that City Hall would be unavailable as a meeting place through the end of May. The Council and Staff discussed possible changes to community events beyond May, including the baseball program, summer recreation program, movies in the park, and the 4th of July celebration. Mr. Hanson discouraged moving forward with spring green-waste collection at City parks to avoid creating gathering places where COVID-19 might spread. Responding to a question from Councilmember Mecham, Mr. Hanson said the green-waste collection could occur later in the year.
