26
27 **POSSIBLE MOUNTAIN BIKE TRAIL IMPROVEMENTS FROM FREEDOM**
28 **HILLS PARK TO BOUNTIFUL**

29
30 Robyn Mecham, City Council Liaison, displayed a map of Forest Service property east of
31 Centerville. The Committee discussed the possibility of mountain bike trails, and a dirt skills
32 jumping area in Centerville. Brandon Federico talked about Corner Canyon in southern Utah,
33 which is his vision for a dirt bike trail in the mountains above Centerville. The Committee
34 discussed a possible bike jumping area when Island View Park is renovated, or possibly an area
35 by the Legacy Trail.

36
37 At 8:37 p.m., Mikael Remington arrived at the meeting.

38
39 It could be possible for an Eagle Scout project, or a group wanting to do a service project
40 to make a dirt skills jumping area. Draper City has a dirt skills jumping area that is near the Draper
41 LDS Temple. The major cost of making this feature is the manpower, which volunteers or Boy
42 Scouts could do for their Eagle Scout project. The Trails Committee will take a field trip to Draper
43 on July 6th at 7:30 p.m. to view Draper's dirt skills jumping area. If the Committee decides to have
44 a dirt skills area in Centerville, they will schedule a meeting with Greg Hilbig, Draper City Parks
45 & Recreation. to discuss how Draper City planned their dirt skills area.

1 **REPORT ON ANY NEW VOLUNTEER PROJECTS**
2

3 Rick Turner reported the Forest Service would like to have a hydrologist and a geologist
4 assess a 500 yard section of land that is sluffing off on the Deuel Creek South Trail 100 yards from
5 the trailhead. It will need to be determined what needs to be done to stop the erosion of this land,
6 and if this could be an Eagle Scout project.
7

8 Share the Road bike stenciling needs to be completed on the bike lanes along 400 West.
9 Share the road shoulder lines are now painted on Main Street north of Parrish Lane.
10

11 **REVIEW OF TOP FIVE POTENTIAL PROJECTS**
12

- 13 1. Identify an area for dirt bike skills and jumping.
14 2. Maintenance of Rockwood Trail.
15 3. Replace Plexiglas trailhead markers on all of the trails.
16 4. All trails need maintenance service.
17 5. Connecting Legacy Trail to 1250 West.
18

19 **JULY 4TH ASSIGNMENTS**
20

21 The Trails Committee will have a booth for the July 4th festivities from 10 a.m. to 2 p.m.
22 Mark Oligschlaeger will be asked to have a banner made for the Trails Committee booth. A map
23 of the new pedestrian bridge over I-15, and how it connects to the Legacy Trail will be displayed.
24 A large map of the trails will be displayed, and small trail maps will be given away at the booth.
25 Flyers will be distributed advertising the September 24th hike. Bruce Cox will obtain maps of the
26 trails in Davis County to be distributed. Committee members will be volunteering at the Freedom
27 Run 5K at 7:00 a.m. Chair Dimond will send a reminder email of Committee assignments.
28

29 **OTHER BUSINESS**
30

31 Rick Turner reported there are large boulders that are ready to fall off the edge at the
32 waterfall on George Haddad's property. It is not safe for people to be in this area, but there are still
33 problems with people trespassing on their property. The Ricks Creek sign will be replaced that
34 was vandalized near Haddad's property.
35
