34
35 At 5:15 p.m., Chair Spencer Packer arrived at the meeting.

36
37 a. **Review and Discussion of Title 8 – Ordinance Amendments for the Whitaker**
38 **Museum.**

39 The purpose of Title 8 is to determine who is responsible for City property, which
40 includes the Whitaker Museum. Lisa Romney, City Attorney, distributed proposed
41 changes to Title 8 for Board members to review. Chair Spencer Packer reported he
42 spoke with Bruce Cox, Parks and Recreation Director, and they agreed that at some
43 future date, pioneer period flowers will be planted on the Museum grounds, and the
44 maintenance of the grounds will be a joint venture with the Parks and Recreation
45 Department to determine what maintenance they will do.

1 Fees at the Museum must be adopted by resolution from the City Council, and put in
2 the fee schedule. Farm animals in the Museum yard for educational purposes may be
3 allowed on the grounds for specific events upon permission by the Parks and Recreation
4 Director. Zoning regulations will also apply.

11 **b. Review of the Whitaker Policies**

12 The policy for Acquisition Types was discussed that gives the Museum temporary
13 custody of artifacts. Museum artifacts loaned to other institutions must be insured. Lisa
14 Romney, City Attorney, expressed concern if the Museum borrows an artifact from
15 another Museum, prior approval for the insurance must be given. Approval to acquire
16 the artifact must also be given by the Board. Lisa Romney said she is concerned if the
17 artifact is damaged or lost, the City would be responsible for the value of the item.
18 Nancy Smith reported there is currently \$10,000 basic insurance coverage on artifacts
19 at the Museum with limitations. Lisa Romney will review the changes to the policies,
20 and she will give an updated copy for the Board to review at the next Whitaker Museum
21 Board meeting in September.
22

23 **c. General Operations Policy**

24 Lisa Sommer, Museum Director, stated she feels the Museum should not be rented for
25 functions at this time, as there is a liability risk for the artifacts and building. The Board
26 agreed the Museum will not be rented for functions at this time.
27

28 **d. Policies and Guidelines**

29 Policies of the Museum Board may adopt reasonable guidelines that do not require City
30 Council approval. Lisa Romney said it should be in a place where people can access it,
31 as it allows for reasonable management. The official amendment process provides a
32 record of what occurred. The Museum Board is an advisory board that runs the
33 Museum, and the Board can adopt reasonable policies. Stephanie Ivie, City Council
34 Liaison, said she approves of having the policies and guidelines in one place.
35

5 participate to help with this activity, the interior can be viewed. If the interior cannot be viewed,
6 the exterior will be available for viewing on the tour.

7
