

1 Minutes of the Centerville City Trails Committee meeting held Thursday, September 20, 2018 at
2 8:00 p.m. at the Administrative Conference Room at City Hall, 250 North Main, Centerville, Utah.

3
4 **PRESENT**

5 Matt Johnson

6 Jake Layton

7 Mark Oligschlaeger

8 Blair Parrish

9 Mikael Remington, Chair

10
11 **ABSENT**

12 Sunny Larson

13 Rick Turner

14
15 **STAFF PRESENT**

16 Robyn Mecham, City Council Liaison

17 Bruce Cox, Parks and Recreation Director

18 Connie Larson, Recording Secretary

19
20 **MINUTES REVIEW AND APPROVAL**

21
22 Minutes of the June 28, 2018 Trails Committee meeting were approved by email.

23
24 **NEW MEMBER**

25
26 Jake Layton was welcomed as a new member of the Trails Committee. He has lived in
27 Centerville most of his life and enjoys mountain biking and hiking.

28
29 **UPDATES ON RECENT VOLUNTEER PROJECTS**

30
31 Bruce Cox, Parks and Recreation Director, reported tomorrow there will be an Order of the
32 Arrow at the Freedom Hills Park. He will be coordinating the volunteers to repair the trail on
33 Saturday. Thirty Young Men and adults will help repair the trail and bury water bars.

34
35 Bruce Cox reported the Frontage Road is scheduled to be completed on September 28th.
36 The company that is doing this project took an eight week break to work on other projects. The
37 City contacted the company and informed they would hire another company to complete the
38 project. Robyn Mecham, City Council Liaison, reported the slurry seal didn't adhere to the asphalt
39 so it will need to be repaired. The new West Davis Corridor Highway north exit will start in
40 Centerville.

41
42 **ACTIVE TRANSPORTATION PLAN**

43
44 Bruce Cox, Parks and Recreation Director, finished drafting the Scope of Work (SOW).
45 ALTA Planning has been awarded the plan. This is to work with North Salt Lake and Bountiful
46 for bike lanes. How will connections be made through the cities and to the Legacy Trail.

1 **FOOTHILLS MANAGEMENT PLAN**

2
3 Bruce Cox reported the task group for the Foothills Management Plan will meet on October
4 9th. Mr. Cox completed the User Survey and reported to the City Council. The drainage plan has
5 been completed for the hillside drainage study, and now the drainage issues for the road will need
6 to be addressed. Everything above the dikes is at greater risk for slipping. There will be berming
7 installed and a drain line that will catch the water and direct it to Deuel Creek. Chair Mikael
8 Remington reported a mountain bike coach contacted him, and he asked for a service project for
9 25 of his students that can be done on the trails. The bowl area on the east side has been cordoned
10 off to help prevent erosion from bikers.

11
12 Mr. Remington reported there is an area above 100 South that is east of the reservoir that
13 bikers previously made a bike trail, but it is now being used as a road. A fiberglass marker will be
14 placed at the trail to mark that it is not a road, and large boulders will be placed on the entrance to
15 the trail to keep ATV vehicles off the trail.

16
17 **WORK SESSION WITH PLANNING COMMISSION – ASSIGNMENTS**

18
19 Bruce Cox reported the purpose of the work session on Wednesday, September 26th, is to
20 discuss the Trail Master Plan and the Concept Plan for the trails system in Centerville. The existing
21 trails system and the future plans to connect future trails to existing trails will be discussed. Robyn
22 Mecham, City Council Liaison, expressed concern the Active Transportation Plan will not be
23 completed until next year. It is anticipated there will be changes after the Active Transportation
24 Plan is implemented. The Trails Committee needs to inform the Planning Commission on what
25 their focus is, and possibly ask for a match of funds on projects. The Committee's vision of the
26 plans for the hillside will be shared with the Planning Commission. The focus of the Trails
27 Committee has been to get an Active Transportation Grant, and to get approval for the mountain
28 bike trails.

29
30 **OTHER BUSINESS**

31
32 Fall Trail Run has been cancelled for this year.

33
34 Centerville resident, Dan Wadley, recently completed a 105 mile race in Steam Boat
35 Springs, Colorado, and finished in 16th place. The Committee discussed informing the Mayor about
36 Mr. Wadley's accomplishment, and of possibly honoring him in the future.

37
38 **NEXT MEETING**

39
40 The next Trails Committee meeting will be held on Thursday, October 18, 2018 at 8:00
41 p.m.
